With Education Age [1400-1700CE] we get physical citizen culture, *physicalEducation* homelife. *AMERI* Ages is Freedom Education in cultured educant reborn to 'Greek free man's education'. Native European Continental Thinkers, especially scientists Kepler-Galileo-Newton, Descartes & Bacon, return Classical Ionian Thinkers' dream of science in tolerant liberty that asks Nature's reason, discover force of gravity that does away with divine right of kings, and teach natural law & order Nature to good humans and godly clergy in modern German science universities. Asking people rebuild lost Mediation Age structures that support rational human culture in physical science and social societies.

Yearning for freedom brings struggle and renewal. Yearning to know *Book of Life* [Nature's reason, rational law/order 'logos' inside/outside US all], people ask and amend injustices of imperial medieval-minded plutocrat/priest. Over objections from his friend the Pope, Galileo asks Nature and jump-starts Education Age in asking people trying to understand physical reality with Copernicus/ Vesalius/ F.Bacon/ Kepler/ Harvey. Yearning for Truth about sky and earth, Galileo with new technology of telescope does sightings and math equations, joining sky and earth in natural law & order, *returning lost original good news of Old Democrat [Ionian Greek Thinkers of early science]*. Yearning for their Old Republican forbearers [Classical Roman human national heritage dismissed by Christian clergy in nation of Israel Bible heritage], Italian Humanists in equality freedom renew lost art of social history, *returning Herodotus/ Thucydides discipline of writing referenced truth over metaphor*. Yearning to read and write, native German national Guttenberg makes printing press, *returning lost literate equality freedom to people*. First library where public can check out books opens in Berlin 1704. Yearning for liberty freedom reality, mechanical gravitational universe of Newton with Descartes/ Bacon is study at modern German science universities, *returning lost asking of Athenian science schools*. Yearning for integrity freedom in up-to-date information, French Encyclopedists give world of ideas encyclopedia, *returning lost Alexander Museum Library, mini-sized*. Yearning for fraternity freedom in common good dynamic democratic civil society with written human rights and rational self-rule, English give 'Rights of Englishmen' in England, then U.S. America, and then among world citizens in unique one countries under common law, *returning lost Classical Greek/Roman democracy*. No longer penniless peon of plutocrat, nor illiterate sheep of priest, *physicalEducation* everyday people rebirth support structures for empowerment-literacy reality-reason in principles with person. Yearning to be free from divine right of king-rule and from arbitrary interpretations of inerrant *Word of God* by clergy-rule [causing endless wars], *physicalEducation* conscious humans reference Nature's reason, *returning lost social natural law & order citizen scientist/philosopher*. We learn freedom with equally conscious Italian Humanists of social scientific history, integrity literate French Encyclopedists, liberty rational German of modern science university, and fraternity tolerant English civil rights/self-governance. Newly literate native Europeans return lost *socialMeditation* Classical citizen culture in human home/nature home heritage with *Book of Life* [Nature] culture. The European gift, home of science and democracy, with Classical Culture returns to native European then US all in cultural democracy. Cultured North, asking Nature's reason, returns in.

'Freedom Education': '**Physical Homelife**': '*a Greek free man's studies*':

universal math & science, ethics & ideas; social history & literature, arts & sports; and global asking adventure!

Teachers of natural/rational *Book of Life* culture continue asking Nature's reason, no longer killed by supernatural *Word of God* religion clergy who newly take on reason by putting it under revelation.
