

Hapi FreedomLife. I'm *american homelifer*®.

HAPI is on logo, so we the Information generation remember our hapi Freedom**LIFE**!

Seasonally, naturally meditate on one of 4 principles universal to be free. '4 Principles' **tolerance-truth-compassion-equality** are identified, written, and taught by the cultured Old Teachers Confucius, Buddha, and Thales/Solon/Socrates in the Cultured North asian Meditation Age 500BCE-500CE-1400, whose **same** social philosophical ideology of freedom is later adopted by Religious South asian Vedas-Brahman class under 9th God Buddha and Bible-Israel nation under God Messiah and messenger Mohammed [Koran] for medieval millennium 500CE-1400CE of different theological viewpoints but **same** freedom ideology. Human heritage in citizenship understands our freedom fellowship in spirited ideology, philosophical/ theological. In modernity we can be new confucians/ buddhans/ socratics joining Republican Age 1700-2000 French Freedom**LIFE** slogan [*tolerant***LIBERTE**-*truth***integrity**-*compassionate***FRATERNITE**-*yang/yin***EQUALITE**] to **HONESTY- AGAPE- 1st PRINCIPLE- INDEPENDENCE** for contemporary global culture citizens' meditation in universal hapi Freedom**LIFE**.
